### Terms and Conditions for Exhibitors

#### :: Poster Board ::

During the whole event there will be some 'black boards' at the location, where exhibitors and guests are able to present their upcoming events or whatever. When you're interested in having your posters or flyers on that poster boards, you're welcome to give us your material beforehand.

#### :: Participation in Support Programme ::

Every exhibitor is invited to contribute a tombola, a competition, a live interview or even a debate, a speech or a workshop to the support programme of the Underground Metal Messe. Your creative ideas are always welcome!

#### :: Program Flow ::

The exhibition opens its doors for the guests at Saturday, the 10<sup>th</sup> of May, expected at 14:00, and Sunday, the 11<sup>th</sup> of May, at 12:00, on first floor of the house, and will end always about 18:00. Collaterally to the exhibition an interactive and informative support programme will take place on the stages in the 'Großer Saal' (Big Hall) and the neighbour room called 'Saalcafe'. (Subject to alterations!)

About 19:00 there will start the live concert on the stage in the 'Großer Saal', where the most exhibition stands are located, too. The concert will last until about 2:00 at night.

The exhibitors should have built up their stands by one hour before doors open at the latest. You're free to run your exhibition stand as long as you want, but at least until the end of the exhibition at 18:00.

#### :: Styling your Stand ::

Because the conception of an exhibition is fairly new and unfamiliar for the Metal genre, we're frequently asked how such an exhibition stand should look like. Principally you're free to give your creativity full scope. Who wants to attract attention should style their stand accordingly. Therefore we offer you a wall and bus bars for electrical appliances and lights. See how you can use that – a banner, posters, pictures or t-shirts on the wall behind will already make a difference. Bring your own CD player to let prospective clients listen to your music, sell tickets for your upcoming event or sell new and old issues of your magazine. Let the guests give a feedback, or arrange a signing session. The more happens on your stand the more the exhibition will be worth your while.

#### :: Basic Principles ::

Every exhibitor who sells products has to pay duty by oneself.

We do not tolerate any recordings or merchandise of NSBM bands and of anti-constitutional organisations, as well as anti-constitutional/nazi symbols, slogans and printed material.
